

*National Association of
State Energy Officials*

NASEO Affiliate Partner Program: Benefits and Opportunities

(Last Update: May 4, 2026)

About NASEO

- The only national non-profit association for the governor-designated energy officials from each of the 56 states and territories
- Serves as a resource for and about the State Energy Offices through topical committees, regional dialogues, and informational events that facilitate peer learning, best practice sharing, and consensus building
- Advances the interests of the State and Territory Energy Offices before Congress and the Administration
- Learn more at www.naseo.org

NASEO Board of Directors

Mitchell Simpson, Arkansas

Kenya Stump, Kentucky

Joe Pater, Wisconsin

Emily Wilbur, Missouri

Janine Benner, Oregon

Curtis Thayer, Alaska

Ben Brouwer, Montana

Maria Effertz, North Dakota

Ernesto A. Rivera-Umpierre, Esq., Puerto Rico

State and Territory Energy Offices

- Advise governors and legislators on energy and economic development issues
- Ensure that the needs and issues of industry, business, local communities, and consumers are considered during energy policy and program development
- Assist energy providers and consumers during energy emergencies (physical and cyber) to mitigate supply disruptions and coordinate state, local and regional responses
- Support research, demonstration, and deployment of technologies
- Design and implement programs covering energy efficiency, energy options, resilience, affordability, workforce development, transportation, innovative financing, and other areas in line with state priorities and goals

NASEO Programs and Priorities

NASEO has committees, task forces, advisory groups, and working groups to inform the issue areas and policy actions on behalf of State Energy Offices. Learn more at: <https://www.naseo.org/committees>.

Upcoming Conferences and Events

- ***NASEO Regional Meeting Series***

Late Spring/Early Summer 2026

Various locations (in-person)

Open to States/Territories and Affiliates (first come, first-served). Space is limited and sponsorship opportunities are available for members.

- ***NASEO 40th Anniversary Annual Meeting***

October 27-30, 2026

Boulder, CO (in-person)

Open to registered attendees; NASEO members receive discount rates, sponsorship opportunities, and priority consideration for speaking opportunities.

- ***NASEO Energy Policy Outlook Conference***

February 22-25, 2027

Washington, DC (in-person)

Open to registered attendees; NASEO members receive discount rates, sponsorship opportunities, and priority consideration for speaking opportunities.

- ***Other NASEO Events*** – posted at <https://naseo.org/events>

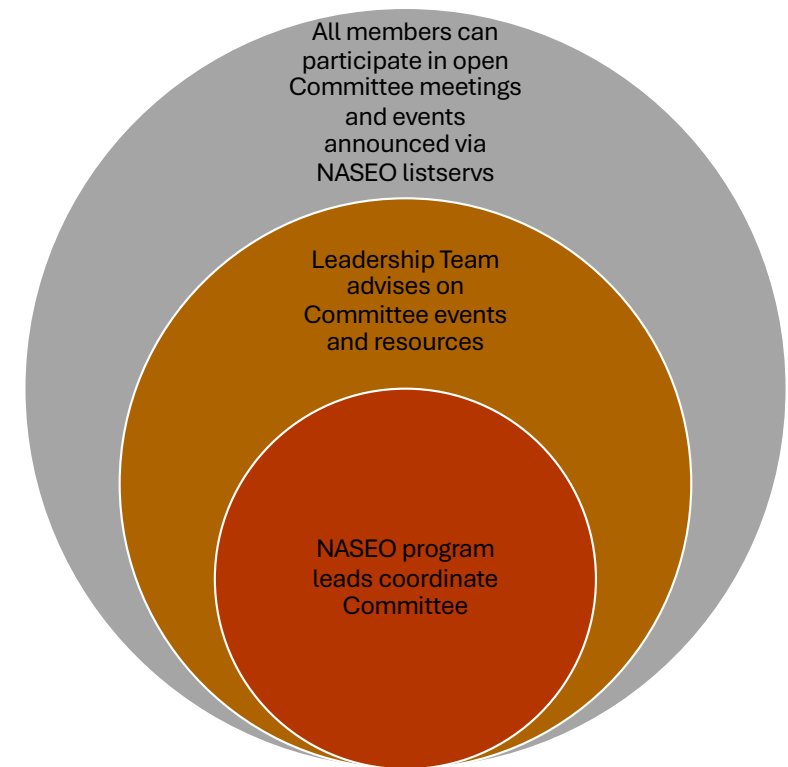

NASEO Committees and Subgroups

- **Committees**

- Cover established, high-priority areas of the State Energy Offices' work (Buildings, Energy Security, Financing, Electricity, Government Affairs, Transportation, and Equity) to inform NASEO programs and policy actions
- Supported by a small "Leadership Team" of NASEO state/territory members
- Committee meetings typically occur quarterly (either virtually or in-person as part of NASEO conferences) to engage members on specific issues and educational opportunities

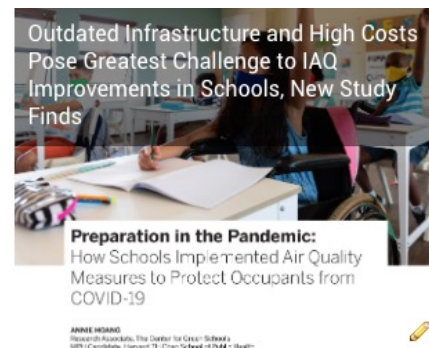

- **Task Forces, Working Groups, and Advisory Groups**

- Cover specific topic areas to inform NASEO projects, publications, and policy and program messaging
 - Member participants in these groups are more defined than in Committees, but typically time-bound and ad hoc
- Full list of Committees, Task Forces, Working Groups, and Advisory Groups is available at <https://naseo.org/taskforces>.

NASEO Newsroom

- NASEO Affiliates are invited to share press releases, new reports, or other news items of interest with NASEO for sharing via our Newsroom, monthly Newsletter (<https://naseo.org/news>)
- NASEO can also amplify Affiliate posts on LinkedIn

Access to NASEO Expertise, Networks, and Policy Actions

- NASEO’s program staff are subject matter experts and nationally-recognized thought leaders in state energy, climate, and economic development policies and programs
- NASEO’s policy staff are deeply engaged on federal and congressional policies and developments
- NASEO staff can facilitate introductions to State Energy Offices, other Affiliates, and other key partners
- Access staff biographies at: <https://naseo.org/staff>

David Terry (left), President, and Jeffrey Genzer (right), General Counsel, oversee NASEO’s advocacy and federal policy engagement activities. All members are invited to monthly “Washington Update” calls to hear the latest congressional and federal updates, and to provide input on NASEO policy activities and actions which are tracked at: <https://naseo.org/policy>.

Contact NASEO

- Learn more at: <https://naseo.org/affiliates>
- Contact Shemika Spencer, Budget and Compliance Officer, (sspencer@naseo.org) with questions or to explore whether membership is right for you
- Thank you for your consideration!
